

# Fall Season Discounts and Rebates

For the best service, please fill in the **discount processing** section when filling out your online application.

For the 2019-20 season we have simplified our discounts eliminating our Early Bird Discount and significantly increasing our other discount offers..

**Big Bear Bundles:** The best tournament combo options in the business. The more events you play, the more you save. Bundles of savings!

**Two road trips or more-** For your 1<sup>st</sup> road trip you pay the full game fee. By picking up a minimum of fourteen (14) rooms for a minimum of two nights for both your first and second tournament, you will receive a maximum of **\$550.00** (See chart below) in the form of a rebate after your second event and for each event thereafter for a given season.

And just so you know, if your team retains at least 50% of your players into the spring, this discount will carry over until the end of May from the season that began in September the previous year.

**Multiple Road Trips Chart - U10 & U12 - \$475.00      U14, U16, U18, & U19 - \$550.00**
