Applications and payment must be completed no later than April 1<sup>st</sup>.

Enter two tournaments both requiring a hotel stay for your entire team in a hotel selected from our website and booked through our hotel booking system. Each team must book a minimum of 15 rooms per night, (30 room nights total) per event to qualify. This does not mean that if you have a team of 18 distinct families, requiring 18 rooms that you only need to book 15 rooms and 3 families can book their rooms through other means. All 18 families must book their rooms through our hotel booking process.

For the two tournaments, you will be charged full price for both. Once, the second tournament is completed and your reported hotel room pickup meets the 15 rooms per night criteria, a rebate check will be mailed to the address provided during registration for one half the registration fee for the event with the lowest entry fee. If your hotel indicated that you did not meet the minimum pickup requirement after the second event a smaller rebate will be sent that is proportional to your actual pickup. If you feel the hotel report is in error, you may contact your hotel to rectify the situation. If they have made a mistake, they will contact us, and we will then process your rebate.

This cannot be combined with any other discount.

**Coaches' Room:** Although this is technically not a discount, it is likely one of the best amenities you can add to your other savings - Each team that books a minimum of 15 rooms per night will receive 1 complimentary room for each night. All hotels listed on our website are **currently participating** in this program.

Also, this season, each team booking 15 or more rooms per night for two (2) consecutive nights that does not qualify for the 15 room per night discount above will receive one (1) complimentary room for one night. Each team booking 13 or more rooms per night for three (3) consecutive nights that does not qualify for the 15 room per night discount above will receive two (2) complimentary room nights. All hotels listed on our website are **currently participating** in this program. Please check the hotel description on the event pages for any hotels that may have opted out since this writing.

**Complimentary rooms\*** may be assigned to a **bus driver** or **team manager** upon request. Comp rooms will not be credited until the event is completed. At that time the hotel will verify whether or not your team picked up enough rooms to qualify.

\*Please refer to our '**Acting Responsibly**' clause located at the bottom of your hotel request form.
